WHY JUMEIRAH VILLAGE CIRCLE?

Jumeirah Village Circle is one of Dubai's most popular communities. JVC provides many home options, competitive prices and a vibrant living experience. This family-oriented community presents many advantages to residents, including a convenient location, access to a variety of entertainment options and a plethora of sports facilities, among other amenities.

Here are 6 reasons why JVC should be your first choice when choosing your next home in Dubai:

1. JVC is a family-oriented community

Jumeirah Village Circle is a beautifully designed residential community that provides a vibrant living experience for families of all ages, and especially those with school children. JVC not only provides a wide variety of different-size apartments, but it also provides spacious outdoor areas and gardens, and facilities and amenities for the whole family to enjoy. In addition, the community is home to many prestigious schools, nurseries and day cares.

2. Prime location

Jumeirah Village Circle enjoys a prime location with easy access to several areas of interest in Dubai, and is a short distance from Downtown, the Marina, Internet City, and more. JVC's central location makes it the ideal spot for residents working in all parts of the emirate, who can easily commute to and from the community.

3. Flexible and easy transportation

The roads in JVC are directly connected to the main network feeding the city, including Al Khail Street and Sheikh Mohammed bin Zayed Road. Jumeirah Village Circle is located to the north of the intersection of these two highways, providing residents with smooth and easy access to Dubai's hottest spots.

4. Freehold community

Jumeirah Village Circle is a freehold community, which means anyone can own a property including expatriates.

5. Natural Ambience that keeps you close to nature

Jumeirah Village Circle contains vast green areas and many gardens. It also boasts almost 30 parks, providing children with a space to play and adults a place to walk and enjoy the beautiful surroundings.

6. Proximity to key points around Dubai

JVC Dubai is only a few minutes away from the Dubai Miracle Garden, one of the most popular outdoor destinations in Dubai. It is also within close proximity to the Mall of the Emirates, Al Barsha area, Dubai Marina, Internet City and JLT providing easy access to plenty of restaurant choices, shopping malls and other entertainment sites.
